NOTE

Report

preparation and submission

Report

- We require a report covering two parts:
    - Phase #1 part (around 4 pages, excluding references)
        - Original paper summary
        - Artifact evaluation report
    - Phase #2 part (around 4 pages, excluding references)
        - Research proposal
        - Design and implementation
        - Evaluation results

- Report format
    - USENIX format:
      https://www.usenix.org/conferences/author-resources/paper-templates

Report submission

- HotCRP portal
  - Standard portal used in conferences for submission and reviewing
  - HotCRP portal link is available on the course page
  - Create an account in HotCRP *(same account is valid for submission and reviewing)*

- Submission fields in HotCRP
  - Single submission for the team, list all team members as co-authors
  - Single PDF for the report
  - Specify conflicts *(your team members)*
  - GitHub link for the system code
